2010 Flowers Chardonnay Camp Meeting Ridge Moon Select

“The estate’s 2010 Chardonnay Moon Select, a barrel selection from Camp Meeting Ridge, shows off a gorgeous sense of direction and pure energy. Nectarines, peaches, flowers, butter and a hint of tropical fruit all flow from a wine that is at once lush yet also wonderfully vibrant and saline. There is a level of precision that elevates the Moon Select to rarified company in this vintage.”

-Antonio Galloni for Wine Advocate, May 2013
